Re: Formal Approval of Form and Amount of Reclamation Surety, Georgia Pacific Corporation, San Rafael - Eagle Canyon Gypsum Quarry, M/015/050, Emery County, Utah

Dear Mr. Phelps:

On September 28, 1994, the Board of Oil, Gas and Mining formally approved the form and amount of reclamation surety (\$50,000) for Georgia Pacific Corporation's San Rafael - Eagle Canyon Quarry in the form of a Surety Bond (#) issued by Aetna Casualty and Surety Company. This bond is held jointly by the Division and the Bureau of Land Management (BLM).

Enclosed please find copies of the fully signed and executed Reclamation Contract and surety bond forms for your files. With the \$50,000 surety in place, it may now be appropriate to release the \$20,000 surety bond held by your office for San Rafael - Eagle Canyon Gypsum Quarry.

Thank you for your assistance in finalizing this permit.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
Minerals Regulatory Program
